RESOLUTION

Bishop: I arise to a privilege statement for the house. Members of the seventy-fourth session of the North Carolina Conference and Friends,we feel honored to have Bishop Wallace E. Brown as our resident Bishop for the ensuing quadrennium. One-third of a century as a successful pastor, eight years as chief pastor, he comes to lead us in the adventure of Kingdom Building.

We have introduced our Bishop to the Conference, now we wish to introduce the Conference to the Bishop, some of our major problems: And ask the Cabinet and the Bishop first for a definite program of advance this quadrennium.

We are proud of the personell of our Conference. There are in this presence a fine group of Christian ministers to carry on the task of Kingdom Building this quadrennium. We have fourteen honored, retired elders, seventy-four eflective elders, eighteen supply pastors, and nine men in the Conference course of study. From our ranks have gone out a number of pastors who are serving fine appointments in other conferences. We have produced five college presidents, two Theological Professors, an editor and Bishop.

THE GENERAL CONFERENCE IN ATLANTIC CITY, enacted certain Legislation which will affect our conference this quadrennium.

1. Committee on Book Concern, report Number 5, Title: Support of Bishop, paragraph 375. From this legislation the General Church is expecting us to raise our Episcopal Fund.

2. Committee on Temporal Economy, Report 24, Title: Representation in the General Conference. Ratio of Representation of an Annual Conference in the General Conference be fixed at sixty under the authority of Division 111. Chapter 11, Article 11, paragraph 38, section 1,of the discipline 1928.

2. Committee on Education. Report 9, Title: Revision of Discipline and

courses of study. Paragraph 185, number 2. Candidate shall be received on trial in an Annual Conference until he shall have met the requirements for admission to College as recognized by the Board of Education, etc.

4. Committee on Education, Report 13, Title: Teachers in Methodist Institution and Report 12, Title: Educational Institution for Negroes. The General Church is expecting those who teach in our Institutions shall support the doctrine and policy of our Church and that we are expected to contribute more largely to the support of these Institutions.

5. Special legislation of designated gifts affecting the World Service collection and cutting the Home Mission income to the extent that they can hardly pay 25% of fourth quarters apportionment to ministers. Last quadrennium our Conference paid $9,747.00 to the Home Board and received from the Home Board, $21,915.00

What does this legislation mean? It means that the General Church from this day on, is placing more and more responsibility on Missionary Groups. And we should expect this for in 1920 we asked for Negro Bishops and got two. Now we must assume the responsibility of men in the church. We can and we will be more self-respecting when we pay the bills.

A STUDY OF THE NORTH CAROLINA CONFERENCE

1. FROM THE GENERAL MINUTE.

	Members	Non-Res. Inactive	Church School	Ministerial Support	Current Expense	Deaths	Womans Missions Took in
1928	13311	1077	10940	90023	11656	19	15
1931	12506	1465	10584	66625	14413	19	15
1932							
Decrease	805	385	365	23398	Increase 988		4

Methodist Year Book 1930 (Page 20) 2559125 to 3170276—25.9%
Population of North Carolina Increased from 1929 to 1930.

1928—World Service 8885.
1931—World Service 5413.
Decrease 3472.

2. A study of twenty of the Leading charges of our Conference reveals the following:
   (a) Eleven have decreased in membership.
   (b) Fourteen have increased in non-active members.
   (c) Thirteen have increased in Sunday School enrollment.

(d) Twelve have decreased in ministerial support. Eight have increased in ministerial support.

(e) Eighteen have decreased in World Service. Two have increased in World Service, St. Paul, Winston, and Hamlet.

3. Ministerial Support:

(a) Pastors. The average salary of 83 of the 87 pastors in North Carolina Conference is $642.50. This leaves out the four pastors who get over $1800 and four District Superintendents.

(b) Episcopal Fund. 54 Charges out of 87 paid last year a total of $293 Episcopal Fund, or an average of $5.50 per charge for the 54 charges. The pastor's support last year totaled $62,309.00, one and one-half per cent of this would be $934.64, a deficit of $614.64. The total of pastor's salary for the quadrennium was $323,873.00,one and one-half percent of this would be $4858.10. We raised less than $1200.00.

(c) Conference Claimants. 62 charges out of 87 paid $788 Conference Claimants, or $12.66 per charge for those paying. Pastor's support $62,309.00 times five per cent equals $3,115.25. A deficit of $2,327.25. This is based upon the five per cent agreement which we were working under last year.

(d) CONFERENCE (General Conference Expense.)

District	*Apportionment*	*Paid*
Greensboro	$273	$89
Winston	294	106
Western	296	71
Laurinburg	218	90
Total	$1,071	$356

The above figures show that we raised about 33%. The question is "How Shall We Overcome?"

1. CONCLUSION. We are asking our Bishop and his Cabinet to work out a definite objective, program and organization which will help us to increase our membership, our Church Schools, roll, our Epworth League.

2. We need a Commission on Finance to report to this Conference at its next Annual Session a definite plan for better pastoral support, for increasing of our Benevolence, for the raising of Educational money, Conference Claimants money, and the support of the Bishop.

3. We must plan to bring into our Conference from now on, men who can qualify according to the new legislation or shortly become a supply conference.

4. We should plan for a Seminar, led by Bishop Brown, to study the prob-

lems of our Area. We should plan for a School of Ministerial Training for the 28 supply pastors in the Chattanooga Area and the 18 who are in the Conference Course of Study. A large number of our pastors should attend the school of Practical Methods.

5. "We need a planned program. The present world-wide economic distress is revealing, as never before, the inherent inequity and basic wrongs of our whole industrial system. But not only are the people of the world suffering unparallelled physical and economic distress, but all the high moral and spiritual values of our common humanity are being ruthlessly invaded and jeopardized by the fundamental economic injustice."
"A deep religious movement and a militant evangelism to these high, imperious goals of the Kingdom of God have been too long delayed. The church should no longer lag in leading the people into a new industrial order based on economic justice." No time should be lost in creating an intelligent, constructive, spiritually empowered movement within the church adequate to create the new social conscience and that vigorous public opinion throughout the nation that shall save us from the impending tragedies that our economic wrongs must inevitable precipitate.

6. We want Bishop Brown to be our Bishop for this quadrennium and to make our appointments. We want each District Superintendent to be responsible for his own District and his alone to the Bishop. If this can be done or something better, you will go up to the General Conference saying, Bishop, about North Carolina Conference, what you said about the men of Helena Area. "There is not a nobler, better trained, more intelligent, heroic, and self-sacrificing company of preachers anywhere in our Church. And here, too, is a group of splendid laymen, cultured, sacrificial, and far-visioned, loyal to Jesus Christ, and to His church. We count it a high privilege to have been permitted to work with these laymen and preachers through these four years."

IX.—HISTORICAL VIEW

From the organization of Methodism in America, the work in North Carolina was continued in Virginia and afterwards in the Virginia and South Carolina Conferences. In the year 1836, the General conference set up in North Carolina. Its first session opened as a part of the Virginia Conference, but when it adjourned there were two Conferences.

Facts from the first ninety sessions are gleaned from the General Minutes and from the Conference Journal for those years, which is now in custody of the North Carolina Conference of the Methodist Episcopal Church, South.

At the Conference of December 4, 1844, there were 19,495 white members and 3,990 colored. Without consulting the wisdom of the latter, nearly the whole membership became a part of a new church, organized in May, 1845, and called the Methodist Episcopal Church, South. Some of the colored members entered the A. M. E. Church, some of the Colored M. E. Church of America, but thousands turned gladly to the bosom of the old Methodist Episcopal Church as it returned to the State after the Civil War.

Between the years 1844, when the Church was separated over the slave question, and 1865, when at the close of the War the M. E. Church returned to shepherd its scattering flock in North Carolina, there was no session of the North Carolina Conference.

From the North Carolina Conference the Blue Ridge was formed with twelve preachers, 2,839 members and probationers, and 41 church edifices.
